Fitness Center Orientation (All Levels)

If you are new to the Fitness Center, please schedule an appointment to complete your mandatory orientation.

Senior Fitness Assessment (All Levels)

This test gives base line fitness information that compares you to others your age and gender in the areas of strength, flexibility, balance, endurance. Annual assessments are complimentary.

Balance Basics (Level 2-3)

Exercises are performed standing, with chair support. Activities focus on skills needed to develop more efficient movement, improve body awareness, and decrease the risk of falls.

Cardio & Strength Conditioning (Level 3)

This is an energetic class that offers low-impact aerobics, followed by strength training and stretching.

Cardio/Strength Circuit (Level 3)

This is a great mixture of cardiovascular exercises and resistance training. A variety of “stations” will be set up for timed intervals using minimal equipment.

Functional Fitness (Level 2)

This class offers seated or standing cardiovascular training as well as strength training and stretching.

Functional Fitness (Level 1)

This seated class focuses on maintaining and improving your endurance, strength, range of motion and flexibility. Various equipment is incorporated.

Hydro Blast (Level 3)

This water aerobics class is geared to challenge your endurance and strength.

Hydro Circuit (Level 3)

This is a high intensity water class. A variety of “stations” will be set up for timed intervals using minimal equipment.

Folk Dance

No experience or partner needed to try these fun dances from all over the world.

Line Dance

Learn a few line-dances in a casual, fun environment. No partner or experience needed.

Personal Training & Swim Lessons (All)

If you would like to work with a Certified Personal Trainer 1:1 on any Fitness, Swim or Rehab goals, please contact Sheri Sampson to schedule an appointment.

\$40 for 1 hour session, \$25 for 30 minute session

Square Dance

Square dancers walk in time with the music to make formations and figures. It’s great exercise for both the body and the mind.

Supervised Training (All Levels)

A certified personal trainer will be available to offer assistance and supervision.

Tai Chi (Level 2-Level 3)

This T'ai Chi class will include warm-ups to open up the joints, Qigong (energy and breath work), walking exercises, and the Wu/Hao Style of T'ai Chi in which to practice the principles of structure and balance.

Therapeutic Aquatics (All Levels)

This class is perfect for anyone who would like to reduce pain levels, improve joint function and increase muscle strength- all in a friendly and supportive pool environment.

Yoga (Level 2)

The class emphasizes flexibility, range of motion, strength-building, balance and breath work. Participants will be seated in a chair or standing with chair assistance.

Yoga (Level 3)

This is a more traditional yoga class with an emphasis on flexibility, range of motion, strength, balance and breath work while standing or on the matt.

Zumba (Level 2-3)

Zumba is dance and aerobic exercise with many cultural influences.

No experience is necessary and steps can be modified to meet your fitness level. You will have the option to remain on your feet or perform the dances seated.

Level of Intensity Key
L1 or Level 1 Basic: Light intensity, seated
L2 or Level 2 Intermediate: Moderate intensity (seated with some standing with chair assist if needed)
L3 or Level 3 Advanced: Active (mostly standing and on floor mats)
ALL Adaptable for any capability

Fitness Center Guidelines

- All participants must complete the Fitness Center Orientation to the facilities, equipment and programs.
- Please arrive at least 5 minutes before the start of the class.
- Please wear appropriate apparel and footwear.
- Be sure to have your waterproof respond pendant at all times. Practice the buddy system or participate in a group class. Never swim alone!
- Do not use the pool or spa when it is thundering/lightening.
- Lockers are available in the Locker Rooms for residents, guests and employees while using the Fitness Center. Please be considerate of others by not leaving items in lockers or on hooks after you are finished. If locks and/or items are left behind anywhere in the Locker Room, they will be removed and discarded at the end of each week. *Enjoy your workout!*
